

CM Trailer Equipment Ltd

“The best thing I found about Attaché PRO was the ability to have reports, sales invoices and any other documents, customised as required and personalised with your company logo.

Being able to specify which reports we require, customising those reports, and then running them as needed gives us the financial and sales figures we need almost instantly, thus saving us precious time.

Attaché Pro is a comprehensive accounting and sales package that also encompasses great stock management from purchasing to sales and with the help of the Attaché Sales team, Attaché Pro can be tailored to meet the needs of your business.”

Profile

CM Trailer Equipment markets and distributes an extensive range of quality components to the light trailer industry in New Zealand.

The company was established in 1988 and has built a reputation for service, quality and a wide range of products backed up by a comprehensive spare parts industry.
